I am to forward for orders of the Government a copy of letter No. A 146/46 Dated 16-3-46 from the District Judge, South Kanara, recommending the continuance at Karkal of the lower division clerk of the District Munsif's Court, Udipi who has been working on deputation in the District Munsif's Court, Karkal since 26-5-41. The Hon'ble the Judges support the District Judge's proposal and recommend that the existing arrangement be made permanent. No extra cost is involved in the proposal.

Copy of letter No. A. 146/46 dated 16-3-1946 from the District Judge, South Kanara, at Mangalore to the Registrar, High Court, Madras.

Sub: Establishment - South Kanara District - District Munsif's Court, Karkal - continuance of the clerk on deputation from District Munsif's Court Udipi in D.M.C. Karkal as a permanent measure by increasing the sanctioned clerical strength of District Munsif's Court Karkal by one - recommended.

I have the honour to state that a clerk of the District Munsif's Court Udipi has been working in the District Munsif's Court, Karkal from 26-5-1941 in pursuance of sanction accorded by the High Court in their proceedings R. Dis. 406/41 dated 1-5-1941 originally for a period of one year but extended from time to time. The period of sanction thus extended for the last time in High Court Proceedings R. Dis. No. 510/45 dated 26-4-1945 is due to expire on 25-5-1946.

The permanent clerical strength of the District Munsif's Court, Karkal is only of five clerks, exclusive of the Head clerk; and the permanent clerical strength of the District Munsif's Court, Udipi is of seven clerks, exclusive of the Head clerk.

3. The need for an additional clerk in the District Munsif's Court, Karkal has always been felt and a clerk of the District Munsif's Court, Udipi, was deputed to the District Munsif's Court, Karkal, for short periods in 1934 and again in 1939; and now a clerk of the District Munsif's Court, Udipi, has been on deputation in the District Munsif's Court, Karkal from 26-5-1941. The period of sanction as extended from time to time would expire on 25-5-1946.

4. A statement showing the institution and disposal of suits and other proceedings both in the District Munsif's Court, Karkal, and in the District Munsif's Court, Udipi, for the last 5 years and for the current year up to the end of February is enclosed. A comparison of figures for institution and disposal of suits and other proceedings for the last five years would support the claims of the District Munsif's Court, Karkal for a permanent increase of the clerical strength of that court from five to six clerks exclusive of the Head clerk, thus bringing the permanent strength on a par with the actual strength of six clerks resulting from the deputation of a clerk from District Munsif's Court, Udipi, to District Munsif's Court, Karkal. The comparison of figures would also bring to light the disparity in the permanent clerical strength of the two courts giving a weightage of clerical staff to the District Munsif's Court, Udipi, not warranted by the volume of work to be turned out. The temporary addition of a clerk to the District Munsif's Court, Karkal, has resulted in preventing the work in that court from falling into arrears; and if the additional clerk is not continued there is every likelihood of the work falling into arrears and causing dislocation of work; on the other hand there has been no serious dislocation of work in the District Munsif's Court, Udipi on account of the temporary reduction of the permanent clerical staff from seven to six, though partly owing to the reduction of staff and partly owing to the heavy pendency of suits in that court, work has been falling into arrears now and then, but steps were taken to see that the arrears did not accumulate. Provision has already been made for clearing the heavy pendency of suits in the District Munsif's court, Udipi, by the appointment of an additional District Munsif with effect from 2-1-1946 with a temporary establishment of three clerks. This additional clerical staff will serve the purpose of preventing the accumulation of clerical work in that court.

5: The District Munsif, Karkal, requests that the permanent sanctioned strength of the clerical staff of his court may be raised from five to six. In view of the circumstances set out above, I recommend that the permanent sanctioned clerical strength of District Munsif's Court, Karkal, may be increased from five to six clerks exclusive of the Head clerk. Should, however the High Court be of opinion that there are no adequate grounds for so raising the permanent sanctioned strength, I recommend that the High Court might be pleased to accord sanction for the continuance of the clerk of District Munsif's Court, Udipi, temporarily for a year more from 26-5-1946 in the District Munsif's Court, Karkal.

The permanent clerical strength of the district munsif's court, Karkal is five clerks exclusive of the Head clerk. To cope with the volume of the work, a clerk of the D.M.C.Udipi has been working temporarily in the D.M.C.Karkal from 26-5-41 in pursuance of the sanction accorded by the High Court. The last sanction for the temporary arramgement accorded by the High Court is due to expire on 26-5-46

2. For the reasons stated in para 4 of his letter on p.2 cf, the Dt. Judge, South Kanara requests that the post of the temporary clerk working on deputation in the D.M.C. Karkal may be sanctioned as a permanent measure increasing the permanent clerical strength of that court from five to six clerks exclusive of the Head Clerk or that the temporary arrangement may be continued for a further period of one year from 26.5.46. The Hon. the Judges recommend that the permanent clerical strength of the D.M.C. Karkal may be raised by one clerk.
